Mechanical Design Engineer
Head of Product Design
Permanent, Fulltime
Mid-career
Abuja (Onsite)

WHO WE ARE

Innov8 Hub is a not-for-profit, non-governmental organization with a mandate to groom innovators, researchers, creatives, and venture creators. We strategically aid and collaborate with organizations and individuals seeking to transform their ideas into solutions.

EDUCATIONAL REQUIREMENTS

A bachelor's degree in Mechanical Engineering, Agricultural Engineering, Product Design Engineering, or a related field is required.

A Master's in Mechanical Engineering, Agricultural Engineering or related field is an added advantage.

Professional Engineer (PE) e.g. COREN, NSE license is an advantage.

TECHNICAL SKILLS

- **CAD Software Proficiency:** Expertise in software like **SolidWorks, Fusion 360, Inventor** is mandatory.
 - **Analysis Tools:** Familiarity with Finite Element Analysis (FEA) and Computational Fluid Dynamics (CFD) tools, such as ANSYS or Abaqus.
 - **Materials Knowledge:** Understanding material properties (metals, plastics, composites) and their applications in design.
 - **Manufacturing Processes:** Knowledge of manufacturing techniques like machining, 3D printing, injection molding, and casting.
 - **GD&T:** Proficiency in **Geometric Dimensioning and Tolerancing** for precise designs.
-

EXPERIENCE

- **Professional Experience:** Minimum of 4 years progressive experience in a mechanical design or engineering role.
- **Portfolio:** Strong portfolio showcasing previous design projects, prototypes or solutions.

REMUNERATION

Salary Range – **Open** - Initially dependent on experience, thereafter on performance

HOW TO APPLY

Interested candidates are encouraged to submit their CVs and portfolio to **hr@innov8hub.ng** on/before **Friday, 13th June 2025**.
