Head of Technical & Vocational
Permanent, Fulltime
Mid-career
Abuja (Onsite)

WHO WE ARE

Innov8 Hub is a not-for-profit, non-governmental organization with a mandate to groom innovators, researchers, creatives, and venture creators. We strategically aid and collaborate with organizations and individuals seeking to transform their ideas into solutions.

EDUCATIONAL REQUIREMENTS

A degree in Agricultural Engineering, Mechanical Engineering, or a related field is required.

TECHNICAL SKILLS

- **Machine Tool Proficiency:** Expertise in setting up and operating manual and CNC machine tools including lathes, milling machines, grinders, and drill presses.
 - **Blueprint Interpretation:** Proficient in reading and interpreting technical drawings, blueprints, and schematics to produce parts to exact specifications.
 - **Precision Measurement:** Mastery of precision measuring instruments such as micrometers, calipers and gauges for quality control and inspection.
 - **Materials Knowledge:** Strong understanding of the properties and machinability of various materials, including metals (steel, aluminium, etc.) and plastics.
 - **Manufacturing Processes:** Deep knowledge of machining techniques, tooling selection, and operational sequencing.
 - **CNC Skills:** Experience with CNC programming and operation (G-code/M-code) is a significant advantage.
-

EXPERIENCE

- **Professional Experience:** A minimum of 3 years of proven, hands-on experience as a Machinist in a fabrication, manufacturing, or workshop environment.
- **Portfolio:** A portfolio or photographic examples of past projects and finished parts is highly encouraged.

REMUNERATION

Salary Range – Open – Initially dependent on experience, thereafter on performance

HOW TO APPLY

Please submit your resume and a cover letter highlighting your relevant experience and why you are the ideal candidate for this position to **hr@innov8hub.ng** on/before **Wednesday, 9th July, 2025**.
